ITALIAN AMERICAN CLUB of JACKSONVILLE

President's Message

Greetings to our Members,

It's been a long haul but there is still light at the end of the tunnel!

The Board Members met for the first time since March and I feel the meeting was successful. We're having our first General Meeting since March and it will be a good one too! Everyone will be happy to be able to see their friends, we'll have a great meal and an even better band thanks to Carlo Clemente!

We are announcing our new Italian American Club Heritage Fund at the meeting. This fund has been started with donations for loved ones who have passed away. Their name will be attached to a plaque in their memory. As time goes on, we are hoping that more and bigger donations will be made. The monies from this fund will be used towards maintenance of the club when it's necessary to buy bigger items. It will be a serve account for the club.

While we were out, we've had some of the trees trimmed and some taken down due to the hazard they posed with electrical wires. We also had a street light installed over the parking lot to give more light. This should help deter the people who thought our parking lot was the perfect place to do doughnuts!

I feel we are getting a new beginning now. Things are looking better in some areas. Let's pray that it will continue.

Ciao to all,

Melanie
